## LINCOLN LOGS & BRICKS

*America's National Toys*

The NEW LINCOLN BRICKS add to the fun of building with LINCOLN LOGS

Now you can add brick foundations and chimneys to log buildings, in fact every kind of construction work is possible with LINCOLN LOGS and LINCOLN BRICKS used in combination. And, of course, you can have ALL BRICK or ALL LOG construction just as you desire.

A modern killing station built of LINCOLN BRICKS and a reproduction of LINCOLN'S LOG CABIN
